 - A. Koehler – There has been a reduction in Admissions staff. There are 8 people reviewing applications. Over 1,000 apps per counselor.
 - o M. Finch –It helps that C. Griffin discusses grad enrollment in PAT meetings. Would like to see an Enrollment Action Team established for graduate studies.
 - o S. Bernhard – Need to plan for different populations, those going F/T and those who need several years to complete the program. Also need to consider providing health insurance to GA's.
 - o A. Barnes – Nursing is being collaborative in terms of marketing and recruitment. Found some scholarship opportunities but Financial Aid would not help administer them.

 - o C. Carayon – Had a meeting with D. DeWitt and C. Griffin in response to President's comments. Need to make sure resources are in place to support an online environment. An Enrollment Action Team should be established immediately with an action plan and deliverables. Idea of doing business will change with MD Blueprint Program.
