committee was preparing document for next semester, everything was halted due to Covid. After the proposal was mentioned in President Lepre's Inauguration Address, it was decided to update the document and proceed.

x Questions

- o A. Barnes – How will this impact faculty status? Most Nursing faculty teach grad and undergrad. And has SWOT analysis been updated?
 - Faculty Status will not change and reporting structures will stay the same. SWOT was updated and given to Provost.
- o P. McDermott – Is there anything that needs to be reported to Perdue as far as the process?
 - Transition will be seamless but a grad school can offer more support to Y. Downie.
- o M. Finch – Proposal seems to minimize the need for additional resources but may need those to grow enrollment. Should there be a line item that resources will be reassessed during budgeting process?
 - D. DeWitt and C. Griffin will look to add a line addressing that concern. Marketing plan is already impressive. May need some more money for rebranding efforts.
- o A. Presotto – Is there an incentive for a grad school?
 - Long Term Benefits – If we graduate a certain number of graduate students we can apply for a reclassification of our Carnegie status. Also gives campus ability to argue for a more aligned funding model with other USM institutions. Short Term Benefits – Rankings, being in line with peer institutions and

x Will need more than current list of programs to reach new enrollment goals.
